Technical data sheet

Fastening element for cable tray

Item number: 2007835

OBO BETTERMANN

The fastening element BE TS KR can be used to attach OBO junction boxes, type T60 and T100, to all standard cable trays in a few actions, quickly and without tools.

This keeps the junction box securely in position. However, it can be quickly dismantled as necessary. This is all done without using tools.

PC Polycarbonate
